

Coach Washburne "We will feature an aggressive bunt and run attack. Post season play is our ultimate record, but playing well against all opponents is our immediate goal."

A most difficult schedule confronts the team this season (All teams are in one division). Home games are played at "Crandall Stadium" in front of Crandall Hall on the North Campus. Student assistant Marc Rubera, who has demonstrated his ability at working well with the team, feels the team is hungry for success and forecasts steady improvement throughout the spring.
